

The poster features a collection of approximately 20 simple stick figure drawings in black ink, scattered around the central text. Each drawing depicts a different dance pose, such as a ballerina in a plié, a figure in a high kick, a person in a crouched position, and various other dynamic stances. The drawings are minimalist, using only lines and circles to represent the human form.

Tueller School of Dance Presents

Summer Dance Session

We encourage all dancers to keep progressing thru the summer.

Summer classes begin Tues. June 14th and are held on Tues. and Wed.

Continue working on technique, dance basics and learn fun combos lots of dancing.

Dancers interested in joining our Award Winning Performing groups must participate in summer dance.

To Register email tuellerdance@gmail.com

2022-23 Fall Classes will beg. Thurs. Aug. 18th
Fall Registration Info will be on website and email soon. We hope you'll join us for another fun year!
